Changing Rooms

The club must obtain a consent form, signed by the parent, granting permission that their child can share changing facilities with adults. This becomes relevant when junior players start to play adult cricket.

No young person will be asked to shower or change in front of others. The following ECB guidelines for changing rooms shall apply:

- Adults must not change or shower at the same time as juniors when sharing a facility.
- Juniors should be given the chance to change first, and shower in privacy if they desire. Once they have finished and left the building, senior players may then enter the rooms.
- The use of any picture or video recording equipment is strictly prohibited in the changing room areas.

- All members must respect opponents.
- Members should keep to agreed timings for training and competitions or inform their coach or team manager if they are going to be late.
- Members must wear suitable kit – (Helmet, box, pads and gloves for batting and wicket keeping when playing with a hard ball) – for training and match sessions, as agreed with the coach/team manager. They should also try wherever possible to wear the official HCC club shirt on match days.
- Members must pay any fees for training or events promptly.
- Junior members are not allowed to smoke or consume alcohol or take drugs, either on club premises or whilst representing the club at other venues.

Child Protection

HCC is firmly and enthusiastically committed to ensuring that the club provides a safe, friendly, and enjoyable experience for all.

Child Protection is about ensuring that any young person or vulnerable adult is safe in any environment.

It is also an awareness and education of others to understand what factors cause young people harm and identifying risks to them.

No pressure will be placed on any young person to shower or change in front of others. As part of our commitment to ensure the safety of young people we will not permit photographs or video of young people to be taken or used without the consent of the parent and the young person.

Any concerns or complaints about any aspect of the club should be shared immediately with our Club Welfare Officer.
