Photography & Video Guidelines

The following ECB guidelines apply at Harrow Cricket Club:

- We will not take photos or shoot videos without the prior permission of parents.
- Parents are not allowed to photograph or film any activities at our club.
- Under no circumstances will cameras (including on mobile phones) be used in the clubs changing areas.
- If pictures are published on the club website, names will not be added to the images.
- Only images of children in appropriate cricket wear will be used.
- If anyone in the club becomes aware of inappropriate or intrusive photography, it should be reported to the club welfare officer.
- Video of batting, bowling or fielding may be used as a coaching tool. The club will store this footage safely and only it show it to the relevant player.
- The club will delete the footage if so requested or if the player leaves the club.

Changing Rooms (Juniors playing adult cricket)

The Club must obtain a consent form, signed by a parent granting permission that their child can share changing facilities with adults. This becomes relevant when colts start to play adult cricket.

The following ECB guidelines for changing rooms apply

- No young person will be asked to shower or change in front of others.
- Adults must not change or shower at the same time as juniors when sharing a facility.
- Juniors should be given the chance to change in privacy. Once they have finished and left the building senior players may enter the room.
- The use of any form of picture recording equipment is strictly prohibited in changing room areas.
